## Message From Our President

Hello EMA Members and Friends

It seems like it has been a long time since we all gathered together. I hope everyone is doing well with their business and summer plans. I am looking forward like most to getting back to the routine in September and having our monthly EMA luncheon meeting. In the meantime lets plan on all attending the evening EMA Mixer and bring some friends that might consider joining EMA as well.

Bring your business cards and party attitude and enjoy an evening of great conversation with friends.

Sincerely,  
Rochelle Browne  
EMA President

## Tucson Networking Association

The Tucson Networking Association combines the concept of "Face to Face" networking with the new age model of "Electronic Social Networking". Take a look at their website to see profiles of over 750 members and growing: <http://www.mytucsonbiz.com>

EMA Tucson Chapter has created a profile so that we can post events there. See our profile at <http://www.mytucsonbiz.com/profile/EMATucsonChapter>

Please consider adding your profile so that others can find out about your business. Several EMA members are already on the site.

## Member Speakers Needed

Part of networking is to get to know one another better. That's why we have time for getting to talk with one another at all of our luncheons. But how would you like to get up in front of the group and talk in more detail about yourself, your business and your passion. What better way to let us know more about you. Member speakers are now needed for the rest of the year. Contact Maggie Hammarstrom at 955-3676 or [sweetwaterdesign@cox.net](mailto:sweetwaterdesign@cox.net) to get scheduled.
